

Tohoku Forum for Creativity Thematic Program 2015

Frontiers of Brain Science

Future Research Leaders Workshop Series

June 5th 2015

June 19th 2015

10:30 - 12:00

TOKYO ELECTRON House of Creativity,
Katahira Campus

Purpose

This workshop series will provide new opportunities for junior researchers to discuss their work in English

Format

At each workshop, two graduate students or postdocs will give a 20 minute presentation about their research, which will be followed by discussion time.

These discussion sessions will be lead by a native English speaking scientist, however all participants are welcome to actively participate in the scientific discourse.

TOHOKU FORUM
for CREATIVITY

The Tohoku Forum for Creativity is the first international visitor research institute in Japan.
Our aim is to identify important problems across all fields of research,
and to develop innovative ideas and deeper theoretical foundations through intensive, focused discussions.
