

Title

Neural control of gut homeostasis in *Drosophila* immunity

Shoichiro Kurata

Graduate School of Pharmaceutical Sciences, Tohoku University

Bio-Sketch

Name Shoichiro Kurata

Position and Affiliation:

Professor, Graduate School of Pharmaceutical Sciences, Tohoku University

[Research Interest]

Insect immunity

Determination of organ identity

[Biographical Sketch]**Education:**

March 1990 Faculty of Pharmaceutical Sciences, University of Tokyo, JAPAN,
Ph.D.

Research Career:

1990-1991 Postdoctoral research fellow, Faculty of Pharmaceutical Sciences,
University of Tokyo, JAPAN (Prof. Shunji Natori)

1991-1995 Assistant Professor, Faculty of Pharmaceutical Sciences,
University of Tokyo, JAPAN

1995-1998 Postdoctoral research fellow, Biozentrum,
University of Basel. SWITZERLAND (Prof. Walter Gehring)

1998-2007 Associate Professor, Graduate School of Pharmaceutical Sciences,
Tohoku University, JAPAN

2007-present Professor, Graduate School of Pharmaceutical Sciences,
Tohoku University, JAPAN
