TOHOKU FORUM for CREATIVITY

## TOKYO ELECTRON House of Creativity

Construction of the TOKYO ELECTRON House of Creativity, the main location of the Tohoku Forum for Creativity (TFC), was completed in March 2015.

Tokyo Electron Co., Ltd. provided a large amount of financial support to create the new building.

At the TOKYO ELECTRON House of Creativity, the TFC will establish an academic environment open to the world, where people can gather, learn from each other, and create new knowledge.
