

List of Participants - The 14th Kavli Asian Winter School on Strings, Particles and Cosmology -

■ Steering Committee

Hiroshi Ooguri (Kavli IPMU, The University of Tokyo)
Koji Hashimoto (Osaka University)
Yoshihisa Kitazawa (KEK)
Bum-Hoon Lee (Sogang University)
Kimyeong Lee (Korea Institute for Advanced Study)
Sang-Jin Sin (Hanyang University)

■ Lecturers

Netta Engelhardt (Massachusetts Institute of Technology)
Yu-Tin Huang (National Taiwan University)
Zohar Komardogski (Simons Center for Geometry and Physics, Stony Brook University)
Liam Mcallister (Cornell University)
Leonardo Rastelli (Stony Brook University)
Masato Taki (RIKEN)
Michael Walter (University of Amsterdam)
Masahito Yamazaki (Kavli IPMU, The University of Tokyo)

■ General Participants

Korea

Nakwoo Kim (Kyung Hee University)
Dongmin Gang (Asia-Pacific Center for Theoretical Physics)

Taiwan

Huailiang Chang (The Hong Kong University of Science and Technology)

List of Participants - The 14th Kavli Asian Winter School on Strings, Particles and Cosmology -

■ Selected Participants

China

Baoning Du (University of Science and Technology of China)
Yi-Jun He (Peking University)
Jue Hou (Peking University)
Zhongjie Huang (Zhejiang University)
Yue-Zhou Li (Tianjin University)
Xiao Di Li (Zhejiang University)
Ban Lin (Tsinghua University)
Wenbin Pan (University of Chinese Academy of Sciences)
Jia Tian (Peking University)
Hao-Xin Wang (Tsinghua University)
Naoki Watamura (Shanghai University)
Peihe Yang (Tianjin University)
Pei-Hung Yuan (University of Chinese Academy of Sciences)
Chi Zhang (Chinese Academy of Sciences)
Yuan Zhong (Tsinghua University)
Jinwei Zhu (Fudan University)

Denmark

Andrew Mcleod (University of Copenhagen)

Germany

Suting Zhao (University of Würzburg)

Hong Kong, China

Zun Wang (The Hong Kong University of Science and Technology)

India

Sourav Ballav (The Institute of Mathematical Sciences)
Aditya Bawane (Indian Institute of Technology Madras)
Aranya Bhattacharya (Saha Institute of Nuclear Physics, Kolkata)
Soumangsu Bhusan Chakraborty (Tata Institute of Fundamental Research)
Parthiv Haldar (Indian Institute of Science)
Chandan Kumar Jana (The International Centre for Theoretical Sciences)
Nirmalya Kajuri (Chennai Mathematical Institute)
Anurag Kaushal (Tata Institute of Fundamental Research)
Suman Kundu (Tata Institute of Fundamental Research)
Swayamsidha Mishra (National Institute of Science Education and Research)
Amiya Mishra (Tata Institute of Fundamental Research)
Pratik Nandy (Indian Institute of Science)
Pranjali Pandey (Institute of Physics Bhubaneswar)
Priyadarshini Pandit (Indian Institute of Technology Kharagpur)
Himanshu Parihar (Indian Institute of Technology, Kanpur)
Boudhayan Paul (Indian Institute of Technology, Kanpur)
Arnab Priya Saha (Harish-Chandra Research Institute)
Sunil Kumar Sake (Tata Institute of Fundamental Research)
Akhil Sivakumar (The International Centre for Theoretical Sciences)

Israel

Yehao Zhou (Perimeter Institute for Theoretical Physics)
Masataka Watanabe (Weizmann Institute of Science)

USA

Changha Choi (Stony Brook University)
Tzu Chen Huang (California Institute of Technology)
Lev Spodyneiko (California Institute of Technology)

Japan

Takanori Anegawa (Osaka University)
Masroor C. Pookkillath (Kyoto University)
Adrian David (The Okinawa Institute of Science and Technology Graduate University)
Matthew Dodelson (Kavli IPMU, The University of Tokyo)
Shu-Yu Ho (Tohoku University)
Noriaki Ikeda (Ritsumeikan University)
Takeo Inami (Riken)
Keita Kanno (Kavli IPMU, The University of Tokyo)
Tomotaka Kitamura (Rikkyo University)
Nozomu Kobayashi (Kavli IPMU, The University of Tokyo)
Naotaka Kubo (Kyoto University)
Yasunori Lee (Kavli IPMU, The University of Tokyo)
Wenliang Li (Okinawa Institute of Science and Technology Graduate University)
Ping Kwan Man (Waseda University)
Hiroki Matsui (Tohoku University)
Masahiro Menju (Osaka University)
Akihiro Miyata (The University of Tokyo)
Takato Mori (SOKENDAI)
Lento Nagano (The University of Tokyo)
Yuta Nagoya (Osaka University)
Kohei Nishikawa (Osaka University)
Toshihiro Ota (Osaka University)
Koichi Saito (The University of Tokyo)
Yotaro Sato (The University of Tokyo)
Ryota Shimoda (Kavli IPMU, The University of Tokyo)
Takayuki Sumimoto (Osaka University)
Shin Toita (Kavli IPMU, The University of Tokyo)
Pierre Vidil (Tohoku University)
Deepika Vidil (Tohoku University)
Dorin Weissman (The Okinawa Institute of Science and Technology Graduate University)
Atis Yosprakob (SOKENDAI)

Korea

Stephen Andrew Angus (Ewha Womans University)
Wenhe Cai (Hanyang University)
Kyoungcho Cho (Sogang University)
Yiqiang Du (Hanyang University)
Lavneet Janagal (Korea Institute for Advanced Study)
Minsung Kim (Pohang University of Science and Technology)
Sungjoon Kim (Pohang University of Science and Technology)
Hojin Lee (Seoul National University)
June Nahmgoong (Korea Institute for Advanced Study)

Taiwan

Wei Li (National Taiwan University)
Alessandro Parisi (Tamkang University)
Kai-Der Wang (National Taiwan University)

The Netherlands

Chongchuo Li (Utrecht University)

Vietnam

Thong Tran Quang Nguyen (Institute For Interdisciplinary Research in Science and Education)
Duy Tuan Nguyen (Institute of Physics, Vietnam Academy of Science and Technology)
