

International Joint Seminar on New Horizons in Animal Science

YANGZHOU Univ.
× **TOHOKU Univ.**

Timetables

- | | |
|--|------------------|
| -Opening remark
Dr. ZHAO | 9:30-9:35(CST) |
| -Presentation 1
YUKI TAKADA (M2)
"Searching for good quality breast milk which is effective in preventing infectious diseases in children" | |
| -Presentation 2
MOTOSHI HISAMATSU (M1)
"Elucidation of the mechanism of morphogenesis in Chicken's cecal tonsil with 3D visualization technology" | |
| -Break | 10:25-10:35(CST) |
| -Presentation 3
ZHIQIANG CHENG (M2)
"Effects of Buffalo Milk and Cow Milk on Lipid Metabolism in Obese Mice Induced by High Fat" | |
| -Presentation 4
MAOCHENG JIANG (D2)
"The Molecular Mechanism of NOD2-mediated MDP Regulation of Inflammatory Response in Bovine Rumen Epithelial Cells" | |
| -Closing remark
Dr. NOCHI | 11:25-11:30(CST) |

Date

JUN 22, 2022
9:30~11:30(CST)
10:30~12:30(JST)

Place

Tohoku Forum for
Creativity & zoom
application

Notes

Each Presentation
Contains 15mins
Presentations +
5mins Q & A
